Contents

- 1 Usage 3
- 2 Danoffice IT Services 3
- 3 Customer’s Obligation..... 3
- 4 Processing Personal Information and Data Processing Agreement..... 3

1 Usage

- 1.1 Danoffice IT's standard terms of use for Multifactor Access (hereinafter referred to as "MFA") to our service systems apply to all services provided by Danoffice IT (hereinafter referred to as the "Company") that use MFA when logging into a service.

2 Danoffice IT Services

- 2.1 Login to a service system and contents of the agreed-upon service as outlined in the Service Agreement.
- 2.2 The Company's General terms of sales and delivery: danofficeit.com/about/terms/
 - The MFA service is based on Microsoft Azure AD. Microsoft's terms and conditions for products and services: microsoft.com/licensing/docs/
 - Microsoft's conditions for Online Services: microsoft.com/licensing/docs/view/Online-Services-products/

3 Customer's Obligation

- 3.1 The customer is responsible for the verification method e.g., App, email, or text message.
- 3.2 The customer is responsible for the employees' use of the service.
- 3.3 The customer is responsible for ordering and disconnecting users in Danoffice IT's service systems.

4 Processing Personal Information and Data Processing Agreement

- 4.1 The Company registers the following common personal information: Name, email address and phone number.

- 4.2 Unless otherwise agreed between the customer (the "data controller") and the Company (the "data processor") in relation to processing personal information, the Company's standard data processing agreement shall apply and same can be found here: edgemoservices.freshdesk.com/support/solutions/articles/77000322438-databehandlertaftale/.
- 4.3 All inquiries related to personal information are to be submitted at services.danofficeit.com or sent to services@danofficeit.com and shall include an indication of the type of inquiry.
